PCD Series Plastic Cable Ducts

Flexible application for vertical cable management

Features

- Available in 1½", 2", 3", and 4" widths
- Available in 3" and 4" depths, single channel and 6" and 8" depths dual channel
- Slotted finger design allows for horizontal cable access exactly where it's needed
- Fingers can be easily removed to create larger openings
- Hinged plastic covers provide organization while keeping cables hidden
- Ideal for medium to low density installations
